

Help Us Locate Former Members

Below is a list of former Sumner-Cowley Electric Cooperative members who have unclaimed capital credit refunds that were retired in October 2022. As states in the cooperative's bylaws the cooperative takes responsible measures to notify any such patrons or former patrons of retired capital credits and if the patron or former patron fails to claim the retired or refunded capital credits within one year, then the patron or former patron contributes the unclaimed amounts to the cooperative, and the cooperative accepts the unclaimed amounts from the patron or former patron as permanent, non-allocated capital.

If you know any of these former members, please have them call us at 888-777-8030.
